Mr. Darrell Stanaford
CB Richard Ellis
Moscow, Russia

February 12, 2010

Dear Mr. Stanaford,

I would like to personally express our gratitude for the professional and untiring efforts of your colleague, Anastasia Milovanova, in helping us to find new premises for Genzyme – the lease was signed last Friday. As you may remember Ms. Milovanova has assisted me in seeking new offices in the past. I think that this must have been one of her most challenging and longest searches, but she was always ready and willing to work with us as our requirements evolved during the search. We have started the fit-out works and are looking forward to moving into the new premises.

Again we highly appreciate the hard work and dedication of Ms. Milovanova.

Sincerely yours,

A handwritten signature in blue ink, appearing to read "R. Rosen", with a long horizontal flourish extending to the right.

Robert Rosen
General Manager
